At the same time, and for the first time ever, Le Shuttle Freight carried more than 7,000 trucks in one day, on 25 January 2018.

In January 2018, passenger traffic on Le Shuttle remained stable with 152,068 vehicles carried, penalised by weather conditions which were less than conducive to tourism during the month.

Publication of traffic figures for the month of February will be on Tuesday 13 March 2018, before markets open.
